Store Open After Class

This is a Cake Decorating 101 class just for kids, ages 8 to 13-years old. Kids learn to level (torte), fill, crumb coat, ice and decorate a cake in this 5 ½-hour class. There's a lot to learn, but when it's finished the kids have their own decorated 2-layer 6-inch cake to take home. Students learn how to decorate a cake from start to finish using various tips they are given to keep along with a tip box. All decorating supplies and tools are provided. A nutritious and delicious lunch is provided. Parents need to drop off children 15 minutes prior to the scheduled start time and return by 3:20 pm to admire your child's creation before it's boxed. This is a class just for kids; therefore, we ask parents not to stay to allow the kids to get the most out of the class. **Parents must complete and return a Parental Consent/Emergency Contact form by class start time for child to attend the class (form provided at time of registration).** Kids get a little messy in the class; therefore, we suggest bringing an apron or wearing clothes that are okay if stained.
