## General Information About Group Classes

Country Kitchen SweetArt offers a variety of group classes that are fun and exciting for any group and for all ages. A minimum of ten students is required to schedule a group class. If you do not have the minimum number of students, you may still schedule the class; however, we require payment for the minimum of ten students.

A \$25 non-refundable deposit is required when you book the class to secure the date. Payment in full, along with the total number of students attending the class, is required one week prior to class date. All supplies are furnished for group classes.

Classes are scheduled Monday through Saturday, depending on classroom and instructor availability. We recommend scheduling group classes as far in advance as possible to reserve a class date.

Our classroom is available at no additional charge for 1 1/2 hours following your group class when your total group class cost is \$125 or more.

**CANCELLATION POLICY:** We realize that cancellations occur. If your cancellation is made 5 business days prior to the class, we will happily give a refund for any amount paid in addition to the deposit or apply the group class fee to another class. The \$25 deposit paid to secure the class date and reserve the classroom is non-refundable. Payment is nonrefundable and nontransferable if cancellation is requested less than 5 business days prior to class. Adjustments for number of students will be made only if you notify us at least 3 business days prior to class date.
