General Information About Group Classes

Country Kitchen SweetArt offers a variety of group classes that are fun and exciting for any group and for all ages. A minimum of ten students is required to schedule a group class. If you do not have the minimum number of students, you may still schedule the class; however, we require payment for the minimum of ten students.

**Discounts available for multi-class groups of 50 or more. Speak to Classroom Manager for details.*

Classes are scheduled Monday through Saturday, depending on classroom and instructor availability. We recommend scheduling group classes as far in advance as possible to reserve a class date.

Our classroom is available at no additional charge for 1 hour following your group class when your total group class cost is \$200 or more. Subject to schedule availability.

DEPOSIT: Full payment of the class plus number of students is required to secure the date. Adjustments for the number of students can be made only if we are notified at least 5 business days prior to the class date.

CANCELLATION POLICY: We realize that cancellations occur. If your cancellation is made **10 business days or more** prior to the class, we will happily give a refund for any amount paid minus a \$50 non-refundable fee. If your cancellation is made **less than 10 business days** prior to the class, the class payment is nonrefundable and nontransferable.

CHILDREN'S CLASSES: We are always happy to have groups of children attend classes, and our teachers enjoy showing them how to make different edible treats. Leaders of the group are expected to maintain discipline at all times. During the class, group leaders or parents may be asked to assist the teacher when needed. We want our classes to be a fun and enjoyable experience for the children, and we appreciate your understanding and assistance.
