

## Warning/Disclaimer

Silver Cloud Estates, LLC extracts, flavors, emulsions and essential oils are sold exclusively for use in food and drink intended for human consumption. Our products are not sold for use in e-cigarettes or any use where the flavor is inhaled or topically applied to the skin.

The safety of flavoring substances used in our extracts, flavors and emulsions when used in food and drink for human consumption is established through safety assessment paradigms that rely on laboratory safety tests primarily designed to understand oral ingestion toxicity, and on reasonable estimations of exposure to these substances and their metabolites through food intake. The safety of the uses in food and drink flavoring is not automatically extended to alternate uses, such as flavoring for e-cigarettes or any application where the flavor is inhaled or topically applied to the skin.

Individuals or companies that use our extracts, flavors, emulsions and essential oils outside their intended use of food and drink for human consumption do so at their own risk and without warranty, either expressed or implied, from Silver Cloud Estates, LLC or its suppliers. The user assumes all liability for loss, injury, damage or expense resulting from such uses.
