- 12" Square Pan
- Measuring Spoons
- Pan Grease
- Pastry Brush
- Parchment Paper
- Spatula
- Piping Bag
- Wilton Tip #2D
- Angled Spatula

## DIRECTIONS: continued on next page

- Prepare your favorite white cake mix according to the directions & add 1 tablespoon graham cracker flavoring.
- 2. Pour the cake batter into a greased 12" square cake pan & bake until done.
- 3. Once baked and cooled slightly, remove the cake from the pan & wrap in plastic wrap.
- 4. Freeze the cake for at least an hour to firm up.
- 5. Once frozen, unwrap the cake and place it onto a piece of parchment paper for easy clean-up.
- 6. Cut the cake into small cubes using a paring knife. Transfer these cubes to a bowl & set aside.
- To make the cream filling, empty the Wind & Will -ow mix into a large bowl.
- Prepare the Wilton Whipped Icing according to the package directions & add 8 ounces to the bowl with the Wind & Willow mix.
- The remaining icing can be placed in a piping bag fitted with Wilton tip #2D.

- 10. To finish the cream filling, add 8 ounces of the cream cheese pastry filling. Stir until everything is evenly combined.
- 11. Transfer this mixture to a piping bag-- no tip is needed.
- 12. You are now all ready to assemble the individual trifles!
- 13. Start by adding a layer of whole cherry pastry filling-- use an angled spatula to spread this filling to the edge of your glass.
- 14. Top this off with your previously cut cake cubes.
- 15. Next, pipe on an even layer of the cream filling.
- 16. Sprinkle with graham cracker crumbs.
- 17. Add another layer of whole cherry pastry filling & then cake cubes.
- 18. To finish the trifle, pipe a dollop of whipped icing using the Wilton #2D tip & top with more graham cracker crumbs.
- 19. For another variation, use the slivered almonds provided in the Wind & Willow Mix in place of the graham cracker crumbs used.
